

Park Home Home Emergency Insurance Policy Document

HOME EMERGENCY INSURANCE POLICY

You have chosen a home emergency policy that can provide **You** with help in **Your Home**. **We** will respond with expert help if **You** have an emergency covered by this policy and send a **Contractor** out who will take action to try and put things right.

This home emergency policy is provided by Arc Legal Assistance Limited, and underwritten by the **Insurer**. Claims under this policy are handled by Arc Legal Assistance Limited.

THE PURPOSE OF THIS INSURANCE

This insurance policy is designed to work alongside **Your** household buildings or contents insurance policy. Whilst **We** are happy to help **You** in an emergency by finding a **Contractor**, **We** aren't able to provide **You** with help relating to day-to-day maintenance of **Your Home** and its contents.

IMPORTANT

You must make sure that **Your** boiler is serviced regularly in accordance with the manufacturer's instructions. **We** will not pay any claim that is caused by a breakdown of a boiler that has not been serviced during the previous 12 months.

HOW TO MAKE A CLAIM

Major emergencies which could result in loss of life or serious damage to the **Home** should always be notified to the supply company and/or public emergency services immediately.

GAS LEAKS MUST BE NOTIFIED TO THE NATIONAL GAS EMERGENCY SERVICE IMMEDIATELY ON 0800 111 999.

Please look at **Your** insurance policy and **Schedule** to check **Your** level of cover and have **Your** policy number and intermediary's name to hand. This policy is designed to help **You** during an emergency. It will not cover situations that **You** do not tell **Us** about within **48 hours** of the incident.

Call **Our** helpline on **01384 884040**. **Our** helpline is open 24/7, 365 days a year.

We will ask **You** some questions to check **Your** identity and the details of **Your** emergency. **We** will talk **You** through **Your** cover and let **You** know what **We** will do next.

SOME IMPORTANT INFORMATION

- If **We** accept **Your** claim, the claims helpline will find a suitable **Contractor** to come to **Your Home** and try to sort out the emergency. However, the **Contractor** must be able to get into **Your Home** to carry out the **Emergency Repairs** and not be prevented by bad weather, industrial disputes or lack of public transport.
- The claims helpline service and tradesperson will use their discretion as to when and how the **Emergency Repairs** are carried out.
- The **Contractor** will send an invoice for the cost of all the work that is covered by the insurance to **Us**. **You** will be asked to pay the cost of;
 - a. Call-out charges if there is no authorised adult available at the **Home** at the time **Our Contractor** arrives to carry out the work.

- b. All charges above the claims limits or any work not covered by this insurance - **You** will be told about this before any work is carried out.
- c. Any extra costs for things that **You** ask for such as replacement parts or components which are of better quality than the original replacement parts or components.
- There may be times when replacement parts are unavailable, delayed or are no longer available because of circumstances beyond **Our** control. If this happens **We** will make sure that **Your Home** is safe.
- If **You** call in the services of a **Contractor** before **You** make contact with the Claims Helpline Service any costs incurred by **You** will not be covered by this insurance.
- **Your** claim will not be considered an emergency unless it is reported within 48 hours of discovery.

WHAT YOU NEED TO KNOW

CONFIRMING POLICY DETAILS...HELPING US HELP YOU

In some situations **We** might not be able to assess **Your** claim or confirm that **You** have a policy from the information and details provided by **You**. It might be necessary for **Our Contractor** to come to **Your Home**, assess the situation and provide **Us** with a report. If this happens **You** will be asked to leave either credit or debit card details which may be debited if the cost of the call-out and any repairs carried out are not covered by this insurance. This will help **Us** respond to **Your** emergency without unnecessary delay and provides **You** with the choice to get emergency help at **Your Home** even if it's not covered by **Your** policy.

HOUSEHOLD BUILDINGS AND CONTENTS

This insurance policy is designed to offer 24 hour help if **You** have a home emergency. It complements but does not replace either **Your** household buildings or contents insurance policy, and there may be times where **Your** buildings or contents policy are a better route for cover. If the situation is not an emergency as defined in the policy wording, **You** should contact **Your** buildings or contents insurance provider for help.

HOW YOUR COVER WORKS

This policy covers **Temporary Repairs**, or a permanent repair where this can be done at a similar cost or where no **Temporary Repair** is available. If **Our Contractor** decides there is no temporary, permanent or economical repair available, then the emergency will not be covered by this insurance.

Your emergency must meet the definition of an emergency under the section of cover that **You** are claiming under.

MAINTENANCE OF YOUR HOME

You must keep **Your Home**, including fixtures and fittings, in good working order. This includes boilers which should be maintained/serviced in accordance with the manufacturer's recommendations.

TRACE AND ACCESS

Sometimes the **Contractor** might need to remove and/or damage parts of the **Home**, fixtures and fittings in order to locate the source of the emergency. In these circumstances, **We** will not be

responsible for any damage caused where this has been deemed as necessary by **Our Contractor** in order to complete a **Temporary Repair** (or a permanent repair where this can be done at a similar cost).

WORKING TOGETHER

To enable **Us** to give **You** the best possible claims service, **We** will need **Your** full co-operation at all times. This may, at **Your** own expense, include providing any evidence, documents or receipts that **We**, or **Our** representative, ask for.

If **Your Home** emergency claim is accepted, **We** ask that **You** allow the **Contractor** to have access to **Your Home** within 24 hours of the claim being reported to **Us**. If **You** delay and/or prevent the **Contractor** from doing this **We** may not cover **You**.

There might be times where **Our Contractor** has to order parts that are not available straight away.

OTHER SIMILAR INSURANCE

If **You** claim under this policy for something which is also covered by another insurance policy that **You** have, **You** must give **Us** full details of the other insurance policy. **We** will only pay **Our** share of any claim.
